

**ALLSTEIN**

# A PRESS MADE FOR YOU

FLEXOGRAPHIC PRESSES **DESIGNED BY PRINTERS** FOR PRINTERS

## **MAKING YOUR BUSINESS AS ROBUST AS OUR DECK DESIGN**

We eliminated bounce so your press runs faster and prints cleaner.

**Every single time.**

## **WE ARE FLEXIBLE JUST LIKE YOUR BUSINESS**

Customize it however you want.

**It's your press.**

## **WE INNOVATE SO YOU CAN ACCELERATE**

Thousands of parts working together to make you more money.

**Every single day.**

## **WE EMBRACE CHANGE... OVERS**

Every aspect of the press is designed to help you prep for the next job.

**And most operations are tool-less.**
